

Routing Nordstrom’s Canada shipments via CTE’s website And E-mailing the Commercial Invoice to CTE

Routing Nordstrom Canada is the same process as any Nordstrom pick up with the same 3:30 pm submission deadline.

Please include your Canada pick up with the other DC’s when routing through CTE’s web site.

Please do not send your Canada request separately from the other DC’s.

The Canada DC – **DC 868** – is in the drop down menu that shows all the DC’s.

DC 868 is listed after NordstromSF499:

More PO

Canada po numbers will be verified like all Nordstrom po numbers. You will see them at the bottom of your confirmed pick up with the other po's.

E-mailing the Commercial Invoice to CTE

The Nordstrom Routing Guide for Canada requires a Commercial Invoice to accompany every Nordstrom Canada shipment. **Do not give it to the driver.**

Please send your Commercial invoice as a single PDF document. Combine all the paperwork into one document. Please do not send multiple PDF's for one invoice.

If you need to see a sample commercial invoice, please go to:

<http://www.nordstromsuppliercanada.com/>

Please email that invoice to CTE as soon as possible! Preferably once CTE confirms your pick by email and you have reviewed the PDF attachment.

To Email:

1. Please scan your invoice to your computer.
2. Email the commercial invoice to: nord868@cteinc.net
3. Please type your dispatch number in the subject line. CTE will use it to link your commercial invoice to your pick up. CTE cannot ship your freight without the commercial invoice.
4. Please send your Commercial invoice as a single PDF document. Combine all your paperwork into one document. Please do not send multiple PDF's for one invoice.

Again, please email your invoice to CTE as soon as possible, preferably once CTE confirms your pick by email and you have reviewed the PDF attachment.

Please type your dispatch number in the subject line.

This helps CTE easily find your pick up. CTE cannot ship your freight without your commercial invoice.

If you do not ship your Canada freight on the day of the pick up, please contact CTE so we can update our files.
